A huge thank you to our many members of Germania Farm Mutual Insurance Association that voted in the 2019 Director Election! The four director candidates received over-whelming support in the election. We welcome back to our Board the following who were elected for a three-year term:

- Donald Scott Phillips from Denison
- James Bryant Holub from Wichita Falls
- Michael Bayless from Lumberton
- Dathan Voelter from Austin

In support of childhood cancer research, Germania committed to donate \$1 to St. Baldrick's Foundation for every member that voted in the director election. We were pleased to be able to provide a check to St. Baldrick's in the amount of \$15,000.

As an additional benefit, all members that voted were entered into a random drawing for the chance to win 1 of 25 Ring Video Doorbell home security devices. The 25 winners were notified by mail following the close of the election.
